

RURAL AMBASSADOR AWARD

Proudly Sponsored by Donald Mineral Sands

The Rural Ambassador Award is a great opportunity for locals aged between 20 and 30 at the time of the show to step up to a fantastic program and to represent your town and your region.

Visit www.rasv.com.au to learn more about the Award.

As the current Rural Ambassador for Donald and the Wimmera, I encourage those eligible to take part in this fantastic experience.

The skills gained, people met and opportunities given through the Rural Ambassador program will rarely be found anywhere else and it really is an opportunity not to be missed.

Take a step outside your comfort zone, contact secretary Nicole Nunn and get yourself an entry form to be a part of the Rural Ambassador Award.

The Junior Rural Ambassador is also open to those aged 16-19 years, entry form for this section can also be obtained from Nicole.
